at Sheephead.

DOBBINS FINISHES THIRD.

A Chance for the Mud Horses—  
Iddeleigh Wins a Race  
at 15 to 1.

RACE TRACK, SHEEPSHEAD BAY.

June 27.—The attendance at Sheephead Bay to-day was surprisingly large. The attraction was the Great Trial Stakes, in which the best two-year-olds were started to compete.

The journey to the track was not very pleasant, but the skies looked to be clearing, and the return journey bade fair to be far more comfortable.

The track was very heavy, and not a few owners withdrew their horses, preferring to wait for dry going and fine weather.

The opening event was, as usual, a dash for the sprinters. The result was a surprise to most persons. Iddeleigh, the English-bred horse sent over here by Col. North, led all the sprinters up in a knot and just walked in at the finish. His price was as high as 15 to 1, but "The Evening World" selected him to win on the showing he made in the three-quarters of a mile in the quarter-bush.

Correction secured the place from White Rose. Yemen was favorite and was never prominent.

The second race troubled the spectators a little. It was probably the greatest aggregation of mud-horses that ever came together in one race, and the winner was hard to pick. The race was a good one for the bookies, every horse receiving more or less backing. Walcott was finally made the favorite. Dobbins just got up and beat Declaire a head for third money.

Iddeleigh took the lead in the first furlong and never headed, winning hands down by three lengths from correction, who won second throughout. White Rose was third, two lengths behind. Time—1:15.40.

Mutuals paid: Straight, \$23.75; place, \$23.20; correction paid \$41.40.
